

## Children's Ministry at Central

Children's Ministry is and has been a significant part of our outreach ministries at Central UMC for years. As followers of Christ, it is our duty to share the Gospel and love of Christ with the next generation. From Kindergarten to twelfth grade, we seek to provide opportunities for young people to explore Biblical teachings in fun, creative ways. We engage kids in crafts, games, activities and discussion to fortify the Biblical truths they learn and offer opportunities for real life application. We work to foster a close-knit, family-focused environment, understanding that discipleship starts with relationships. Currently, we offer Kids Club for grades K-4 and youth group for grades 5-12. All are welcome to join us and we are always happy to receive volunteers as well! See the attached 2022 calendar. Dates are subject to change and we will notify participating families. God bless!
